Service Resume

Dear NA Member,

This service resume will be considered personal and confidential. As such, it will be distributed only to RSC voting participants, and will be collected and destroyed at the close of the meeting, or when the seat you have been nominated for has been elected.

Before you complete this service resume, SCASC would like to let you know a little more about service at the Area Level. The position for which you may be nominated will require that you make a commitment of at least one year, with the possibility that your commitment could last two years. This means that you may be asked to make a considerable investment of your time. This is especially true for members and officers of NCCNA and those of service at Regional level. You may have to spend some of your personal funds in order to fulfill some of your responsibilities. Certainly, you will have work to do at home in your spare time, such as reading and writing reports, and discussing the plans and objectives of your work with other members of your group or subcommittee. In addition, you may have to make several phone calls to other trusted servants.

In order to provide our fellowship with the very best level of service possible, we ask that you carefully consider all the responsibilities that go with the elected position for which you may be nominated. You may wish to consult your employer, family, and/or sponsor. Talking with members who have served in the position you are considering may also be helpful for additional insights. Service at this level has many rewards and may have a profound effect on your life and personal recovery. However, it does not come without hard work, long hours, dedication, and personal sacrifice.
